LOOSE TALK

WHAT THE STARS SAID THIS WEEK

"I felt so much shame. I found myself in a place where with everyone I met, I wanted to say, 'Have you seen *Alexander*? If you have, I'm really sorry.'"

On starring in the critically panned 2004 film

COLIN FARRELL

"I like a nipple tweak. I have to say — I quite enjoy that."

Revealing one of his bedroom turn-ons

THEO JAMES

"They showed us how grueling and how absolutely miserable working in the restaurant industry can be — and they didn't even have to wait on James Corden."

Joking about the cast of The Bear *in her Critics Choice Awards monologue*

CHELSEA HANDLER

"We weren't in anyone's faces. It was just that people didn't like it. They imagined me with someone younger and someone in blockbusters."

On her relationship with Zach Braff

FLORENCE PUGH

"I've known Kristen for 15 years. She has only had jealousy over a single human, and it's been you…. Kristen was like, 'Who is this other short person? Oh, so she can sing like that too? I'm already here. We got another one!'"

Telling Anna Kendrick that wife Kristen Bell was envious of her at the start of her career

A DAY IN MY LIFE

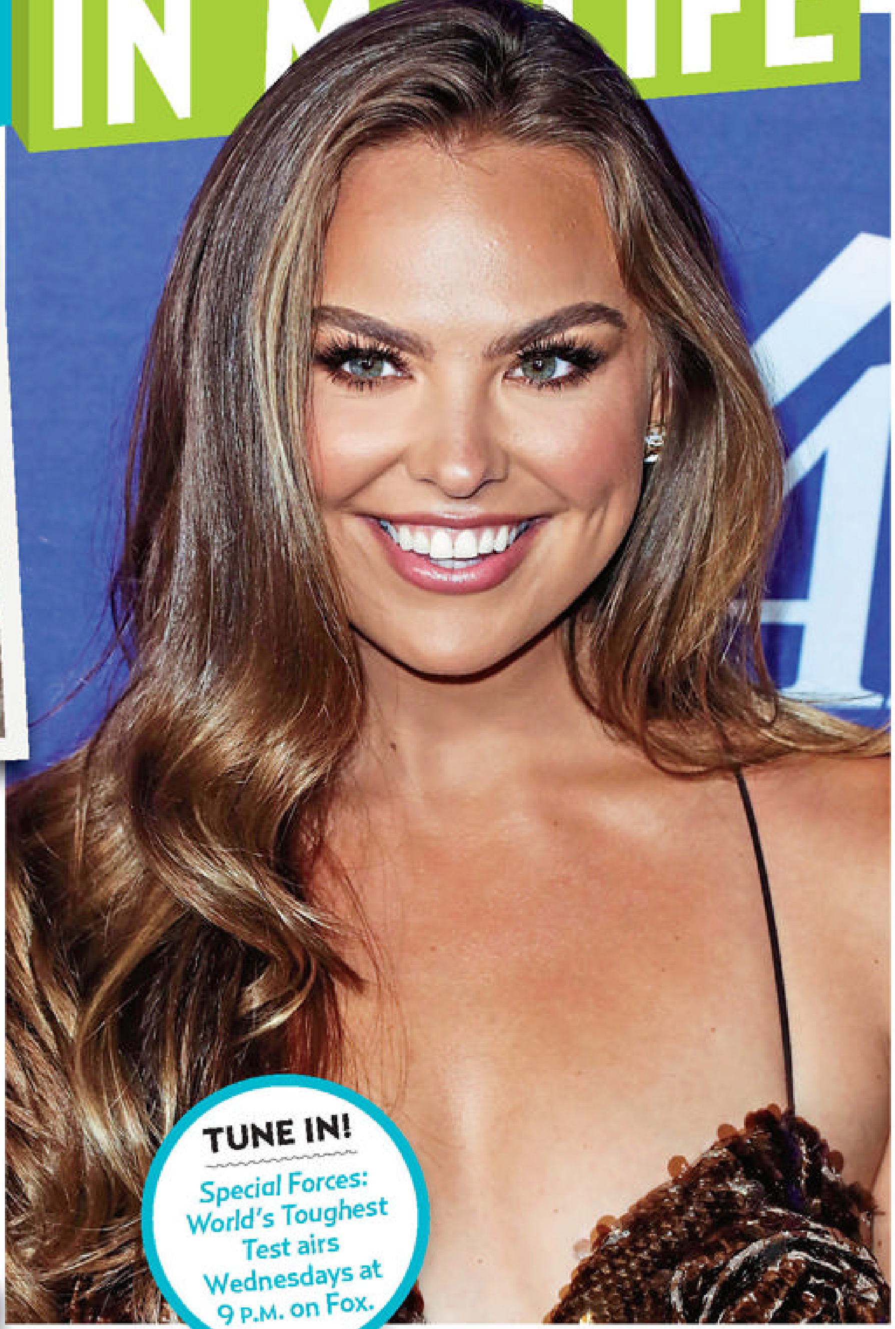
Hannah Brown shares her daily routine with *Us!*

7:30 A.M.

PILLOW TALK Most likely to press snooze! Brown admits she's "a slow riser," explaining to *Us*: "My bed is just so cozy. [Eventually] I like to get up and drink some water, journal and read a little."

9:00 A.M.

RAISING THE BAR "Lately, I've been doing weight training three times a week with 20- to 30-minute Peloton rides for my cardio," the *Bachelorette* alum, 28, says of hitting the gym. "It's great for me to get a little sweat in every day!"

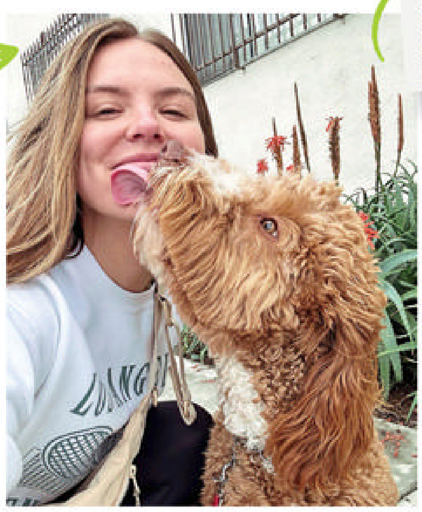


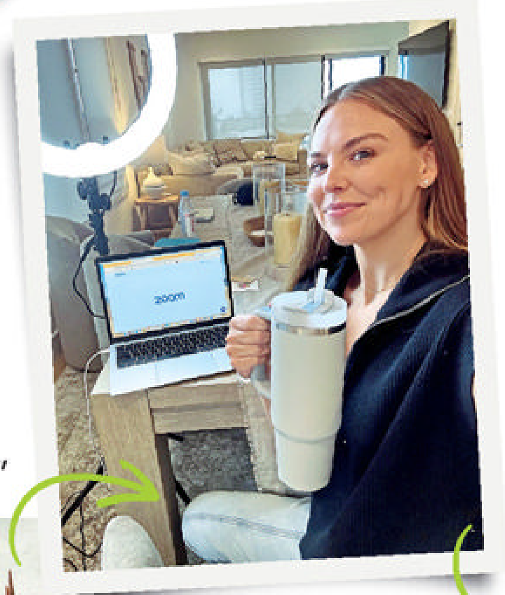
TUNE IN!

Special Forces: World's Toughest Test airs Wednesdays at 9 P.M. on Fox.

12:00 P.M.

RUFF AFTERNOON "[Boyfriend] **Adam** [**Woolard**] and I take Wally on walks around the neighborhood," Brown shares, adding that sometimes she'll "listen to my favorite podcasts, or have a phone call with a friend!"





2:00 P.M.

STAYING CONNECTED "Emails and Zoom calls make working from home so easy," Brown says. "I've loved talking to everyone about my new show, *Special Forces: World's Toughest Test*."

9:00 P.M.

PAGE-TURNER Brown says her favorite time "is right before bed, reading a few chapters of a good book."

A COURT OF WINGS AND RUIN

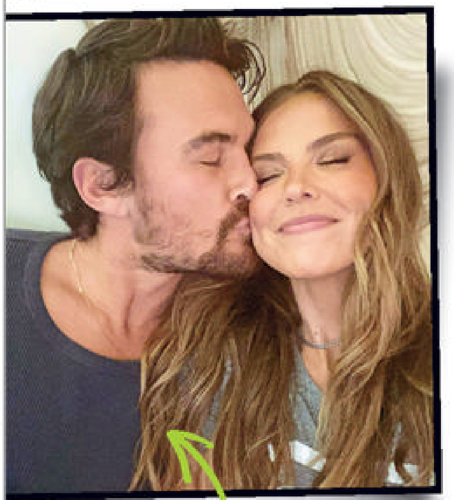
6:00 P.M.

CHEEK TO CHEEK "I love cuddling up on the couch with Adam to watch TV and talk about our day," Brown tells *Us* of the couple's post-dinner chill sesh.



5:00 P.M.

MIXING IT UP With work in the rearview, the TV personality gets crafty in the kitchen: "I've really started to enjoy a home-cooked meal. The Instant Pot makes it easy to make a yummy meal quick!"

HOLLYWOOD GRANDMAS

Proud Matriarch

Marie Osmond credits her eight grandkids for getting her to slow down. “I just finished this big tour, and then went and spent time with [them],” the showbiz icon, 63, told *Us* while promoting her Nutrisystem plan, Complete 55. “You can’t do that with a residency — you miss the games and the events. I need my grandchildren to know me. I need to know them. I want that relationship.” Here, Osmond dishes on her beloved brood.

Q: Do any of your grandchildren take after you musically?

They’re all very musical. They’re [into] mathematics and they’re smart. But I tell them, just [get] a real job. I’m kind of an exception, not a rule. To have a 60-year career where you’ve worked consistently your whole life is not normal.

Q: How have your relationships with your kids changed since you’ve become a grandma?

I’m in love with my kids. They’re great parents. Their kids are awesome. It’s fun to see the mantle passed on.

Q: How do you feel about this stage in your life?

This is the best time of our lives as women. Now I’m a grandma, and I get to just spoil my grandkids. I don’t have to raise them. This is much more fun.

“When I’m with my grandkids, I’m in pure heaven!” Osmond captioned this sweet shot.

By **Leanne Aciz Stanton** / With reporting by Diana Cooper, Mandie DeCamp, Christina Garibaldi & Hannah Kahn

THE NEXT GENERATION

Kathy Hilton is over the moon about daughter **Nicky Hilton Rothschild**'s baby boy, whom the fashion designer, 39, welcomed in July. "So special and so, so sweet. He is just adorable," the *RHOBH* star, 63, tells *Us* of Nicky and **James Rothschild**'s third child — whose name has not been made public — while promoting MenoLabs. "My two granddaughters [Lily-Grace, 6, and Teddy, 5] are just going crazy." The mom of four can't help but marvel over how seamlessly Nicky has adjusted to her new party of five: "It's 24/7," she explains. "She's so relaxed." As the Hilton clan continues to expand — Kathy's son **Barron** welcomed his second child, son Caspian, with wife **Tessa** in September — she isn't putting any pressure on daughter **Paris** to start a family. "I don't want to press it because it takes time," the reality star explains of her eldest, 41, who's been open about her IVF efforts. Still, if the time does come, Kathy has complete confidence that Paris will be an "incredible" mother alongside her "wonderful" husband, **Carter Reum**: "They're the perfect fit."

Last February, Kathy — here with her grandson — hosted moms-to-be (including Nicky and Tessa) at a Frida Mom event.

Serving up Smiles

Lisa Vanderpump wasn't sure how she'd be as a glam-ma. "If there was a puppy and a baby in the room, I always went for the puppy," the TV personality, 62, admits to *Us*. But it was love at first sight when daughter **Pandora Vanderpump Sabo**, 36, welcomed Teddy in November 2021. "It's this instinctual feeling. I just love him." Her first grandchild is such "a good baby," Vanderpump adds, "even his poop doesn't smell!"

Acting the Part

Garcelle Beauvais tells *Us* she's "savoring every moment" with 2-year-old grandson Oliver Jr. (Dad is the actress' eldest son, **Oliver Saunders**, 31.) "When I FaceTime him, he says, 'hi Grandma,' and he understands, so it's really cool," the Garcelle At Home designer, 56, says. Being a grandmother appears to be Beauvais' favorite role to date: "I absolutely love it."

Love Lives

"I don't let Cole tell me anything! I love to… watch every episode in suspense," Daniel tells *Us* of being a *Yellowstone* fan.

COLE & CYNTHIA

Tried-and-True

The spark is very much alive between **Cole Hauser** and **Cynthia Daniel**. "Cole never lets things get too stagnant," Daniel, 46, tells *Us* of her marriage to the *Yellowstone* star, 47. "He's always wanting us to improve and grow and not be that old married couple that sits on the couch all day. He's like, 'No, no, no, let's go. We gotta keep the fire.'" According to Hauser, the *Sweet Valley High* alum puts in just as much effort. "It's a two-way street," he insists. "I'm eternally grateful to have her in my life."

By **Isley Zegas** / With reporting by Travis Cronin, Christina Garibaldi & James Robertson

SELENA & DREW

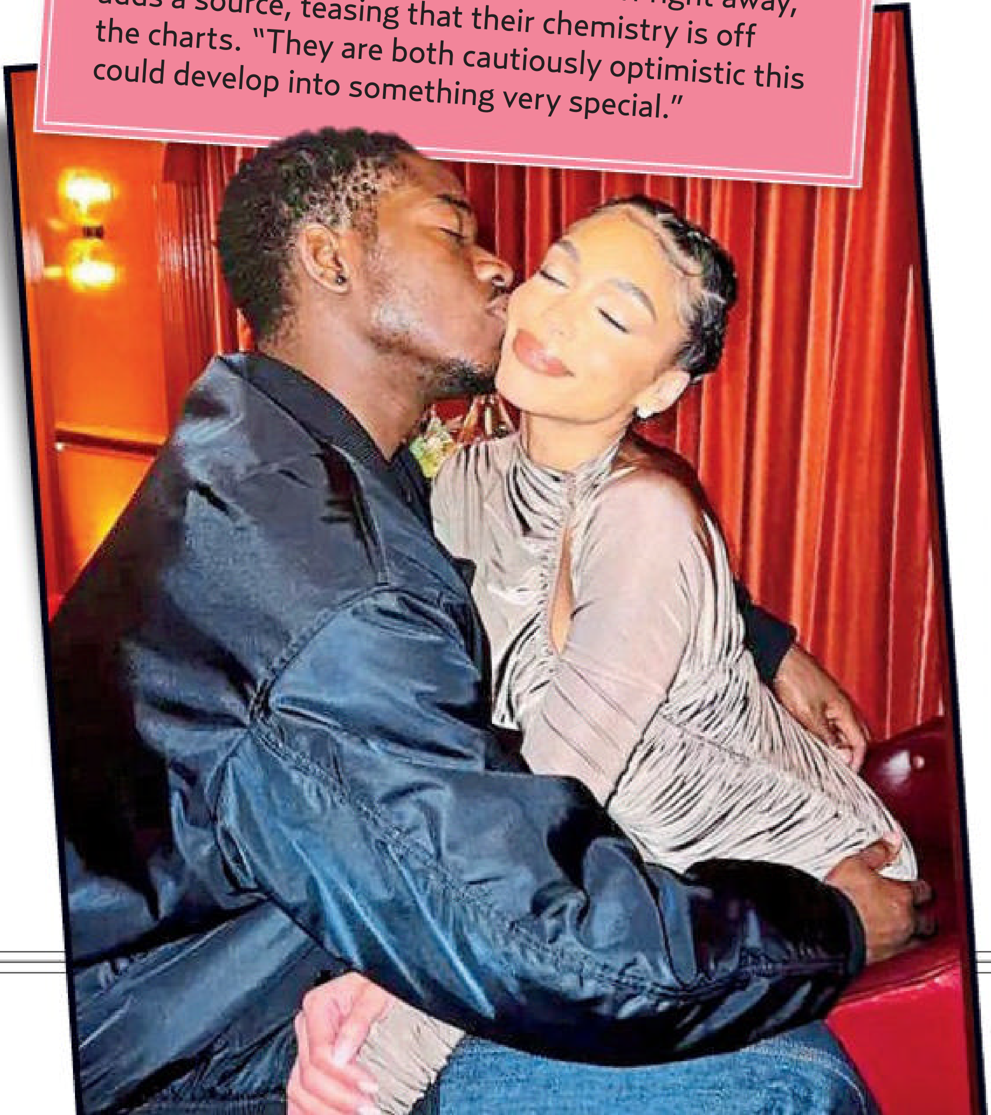
Getting Closer

Selena Gomez has a new man in her life: the Chainsmokers' **Drew Taggart**. "They're dating," a source tells *Us* exclusively, adding that the *Only Murders in the Building* actress, 30, and the musician, 33, are enjoying getting to know each other. "They're very low-key — they go bowling and to the movies," notes the source. "But they are so affectionate and are having a lot of fun together. Selena can hardly keep her hands off him!"

DAMSON & LORI

Public Affair

A birthday to remember! On Jan. 13, **Lori Harvey** marked her special day by going Instagram official with her beau, **Damson Idris**. "It's very new, but they're both really into each other," an insider tells *Us* of the model, 26, and the actor, 31. "They met through friends and hit it off right away," adds a source, teasing that their chemistry is off the charts. "They are both cautiously optimistic this could develop into something very special."



The Next Step

Wedding bells will soon be ringing for DJ **Samantha Ronson**, 45, and beauty mogul **Cassandra Grey**, 44. "They're so excited to be making things official," a source tells *Us* of the newly engaged pair. "They've taken their time before jumping in with both feet, but after almost five years, it feels right."

"She's been happy to let Harry take center stage," a source says of Meghan (at her last public outing on Dec. 6 in NYC).

MEGHAN MARKLE

Disappearing Act

The real reason the duchess hasn't been seen in public in 45 days

She was once one of the most photographed women in the world. But on Dec. 6 — after attending the 2022 Ripple of Hope Awards with husband **Prince Harry** — **Meghan Markle** seemingly vanished from the spotlight. "It's raised a fair number of eyebrows," a source tells *Us*, explaining that many assumed that she'd be by Harry's side for his *Spare* press tour. Instead, Meghan, 41, has been lying low, living a reclusive lifestyle at the couple's home in Montecito, Calif. "The logistics of her own busy schedule, plus being there for the kids [Archie, 3, and Lilibet, 19 months], meant she couldn't be out there with him," explains the source, adding that Harry, 38, was "perfectly comfortable" on his own. "Truth be told, it's been nice for Meghan to take a step back from the limelight and have a little less scrutiny for a change," shares the source. "Decompressing and enjoying some solo time has been cathartic."

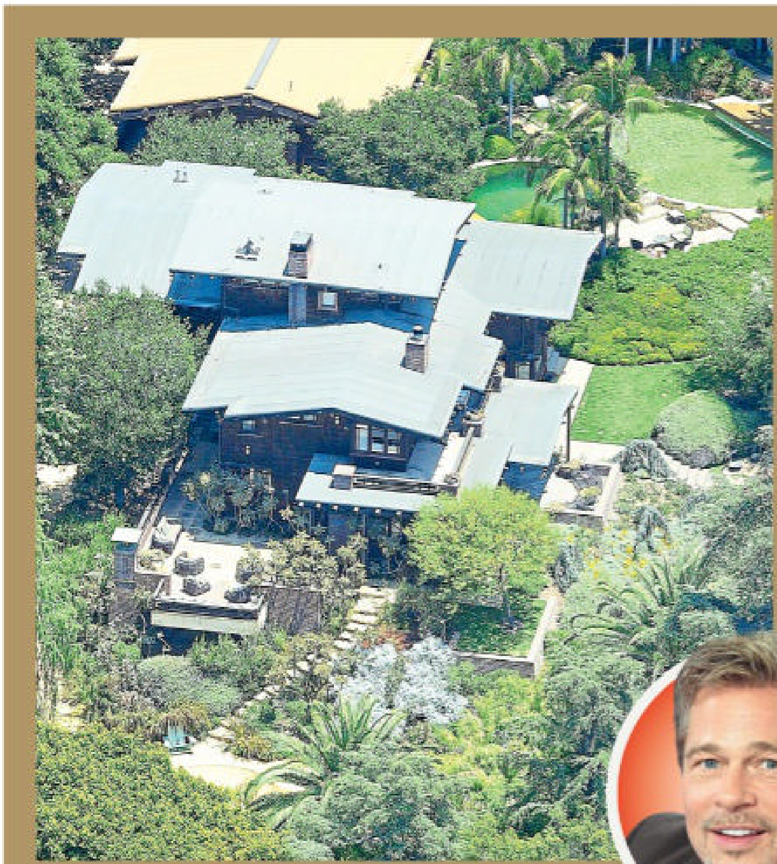
ALEC BALDWIN

Under Pressure

It was his biggest fear. On Jan. 19, prosecutors announced that **Alec Baldwin** would be charged with involuntary manslaughter for the fatal 2021 shooting of cinematographer **Halyna Hutchins** on the set of *Rust*. If convicted, he faces up to five years in prison. "Alec is devastated. He's finding it very difficult to sleep and function normally," an insider tells *Us*, adding that the actor, 64, is "worried" for his wife, **Hilaria**, 39, and their young children, Carmen, 9, Rafael, 7, Leonardo, 6, Romeo, 4, Eduardo, 2, Lucia, 2, and 4-month-old Ilaria. (He's also dad to daughter Ireland, 27.) "Alec hired the best legal team he could find. It's taking a big toll on his finances — especially since he isn't pulling in any huge paychecks right now." But with a new baby at home and a house full of kids, "this is his freedom he's investing in," notes the source. "Staying strong is a real challenge. The thought of serving time in prison makes him sick."

"Alec is a ball of nerves right now," a second insider tells *Us*. "This has rocked his world."

Making Moves



Brad Pitt is saying farewell to the home he once shared with ex **Angelina Jolie** and their six kids. "He loves the property dearly, and there are many wonderful memories there, but he feels it's time for another family to enjoy it," a source tells *Us* of the actor, 59, who listed the 1.9-acre compound, located in L.A.'s Los Feliz neighborhood, for a whopping $40 million. "It's not so much about moving just to move. Brad loves renovating and restoring his homes. This property was a passion project."

Plus, Pitt's been spending most of his time away from Hollywood at his home in Carmel, Calif. Adds the source: "Now that most meetings are remote, he's not [really] in L.A. anymore."

GISELE & TOM

The New Normal

It's been three months since **Tom Brady** and **Gisele Bündchen** announced the end of their 13-year marriage. According to a source, they're each still "adjusting" to being on their own. "Tom and Gisele are getting used to single life," the source tells *Us*, insisting that despite the 42-year-old model's close relationship with martial arts instructor **Joaquim Valente**, neither she nor Brady, 45, is dating yet. "It's still too soon," explains the source. "Tom has been married to football, and Gisele is laser-focused on her career. Her work took a backseat [while she was with Tom], but she's ready to break out again." Although family life was a source of contention during their marriage — as *Us* previously reported, Bündchen wanted Brady to retire from football and spend more time with his brood — coparenting Benjamin, 13, and Vivian, 10, has been a breeze. Shares the source: "There have been no big issues yet."

"They have a ton of fun together."

In late November, Eilish said she was "really excited and happy" about her romance with the Neighbourhood frontman.

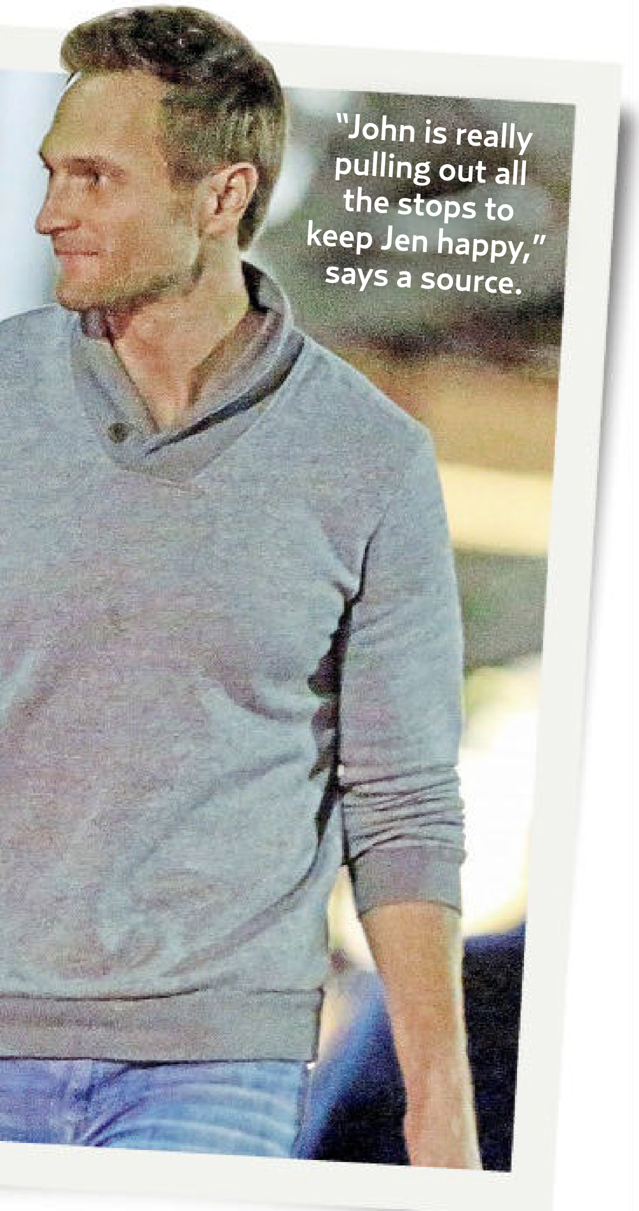
LOVE ON HOLD

Cold feet? Insiders dish on the real reason **Jennifer Garner** isn't ready to walk down the aisle with beau **John Miller**

BY JAIME HARKIN



"John is really pulling out all the stops to keep Jen happy," says a source.

After keeping her romance with John Miller under wraps for years, Jennifer Garner was finally ready to go public in late 2022, months after *Us* revealed the businessman had popped the question on her 50th birthday last April. "They were going to formally announce their secret engagement," says a source, "and were even getting ready to send out wedding invitations."

Then Garner had a sudden change of heart. "Jennifer gave it some thought and realized she's not in a hurry to rush down the aisle and marry John just yet," explains the source. The *Yes Day* actress and the CEO first began dating in 2018 (they had a brief split in 2020 and reunited in May 2021). The source insists Garner is "crazy in love" with the divorced dad of two but wants to temporarily put their wedding plans on hold. "Jennifer adores John and still sees a long-term future with him," shares the source. "But for now, she just wants to cherish what they have without an official label."

TOUGH CALL

The source says Garner — who shares kids Violet, 17, Seraphina, 14, and 10-year-old Samuel with ex-husband Ben Affleck — was privately tormented over her big decision. "It was a huge deal, and it caught a fair number of people off guard," spills the source, noting that Garner was concerned with maintaining their privacy. "She likes to kick back with John and spend time together without any flashiness or fanfare."

Miller is taking it well. "John

With reporting by James Robertson & Andrea Simpson

understands why Jennifer wants to enjoy a longer engagement," says the source. "He has no problem with it. He's happy to wait and isn't pressuring Jennifer to change her mind at all."

His easygoing nature is one of the big reasons Garner adores him. "Jennifer and John are very well-matched," shares the source. "They're both patient, mature people who work well together and have a lot of fun, too. They're not one of those couples who need to shout things from the rooftops."

They keep things low-key. "They'll meet up most weekends or during the week when Jennifer isn't working and she can find someone to take care of the kids," says the source. "They usually hang at his place in L.A., but they enjoy out-of-town getaways, too." In August, Miller purchased a secluded ranch in Santa Clarita, Calif. "Jen has spent some time there," says a second source. "It's where they unwind out of the city."

They both have full plates. "Jennifer and John have their own responsibilities and obligations to take care of, and John is just busy as Jennifer is," says the first source, adding, "it makes it all the more special when they do find the time to hang out."

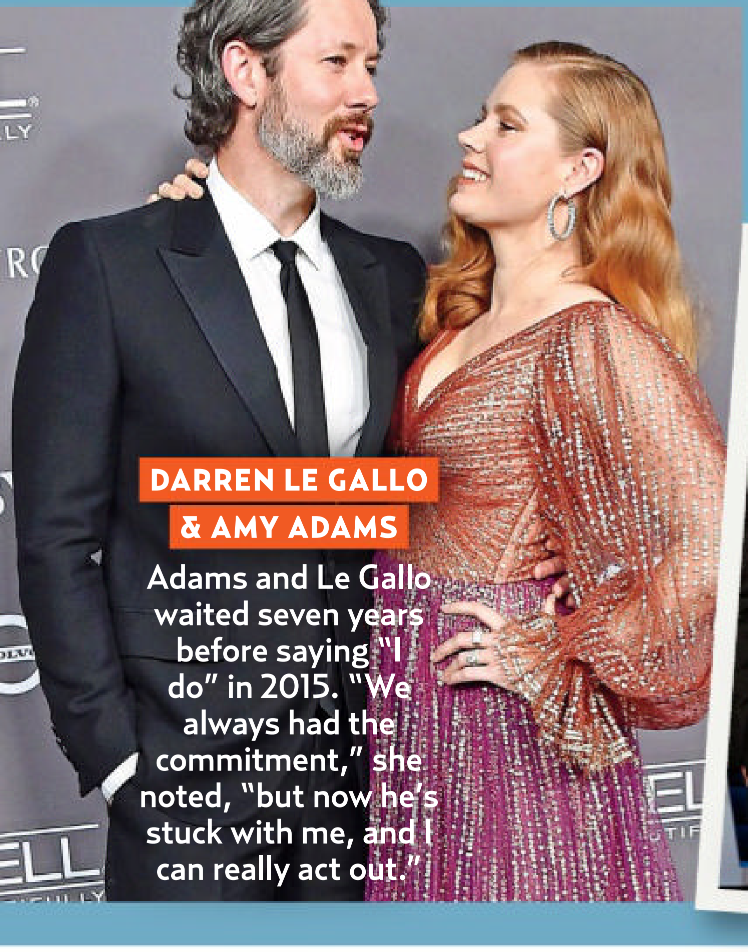
A source says Garner (seen in her upcoming series *The Last Thing He Told Me*) "has plenty of work in the pipeline" to keep busy.

THE EX FACTOR

Affleck — who married former flame Jennifer Lopez over the summer — has been supportive of Garner's romance with Miller. (See box for more on Garner and Lopez.) "He's very pleased Jen has found a guy to make her happy, someone who clearly treats her well and is respectful to their kids," says the first source, adding that Garner and Affleck "speak all the time" about their brood but respect each other's boundaries. "Jennifer keeps out of his relationship with J.Lo, and he doesn't pry into her situation with

LONGEST ENGAGEMENTS

These so-in-love stars didn't rush to the altar



DARREN LE GALLO & AMY ADAMS

Adams and Le Gallo waited seven years before saying "I do" in 2015. "We always had the commitment," she noted, "but now he's stuck with me, and I can really act out."

SACHA BARON COHEN & ISLA FISHER

The couple — who got engaged in 2004 and wed in 2010 — have been together for more than two decades. "I think by Hollywood standards, it's probably 200 years!" she said.

KATY PERRY & ORLANDO BLOOM

Engaged since February 2019, Perry and Bloom have had to postpone their wedding because of Covid. "Every two months, it's like: New variant! New variant!" she lamented.

John," notes the source. "That's not something either of them would interfere in."

A third source says Miller has been welcomed into the extended family with open arms. "John has run the gauntlet to show that he's husband and stepdad material, which meant he had to prove himself not just to Jennifer but to Ben as well," explains the source. "Luckily, he's passed all those tests with flying colors."

WAITING GAME

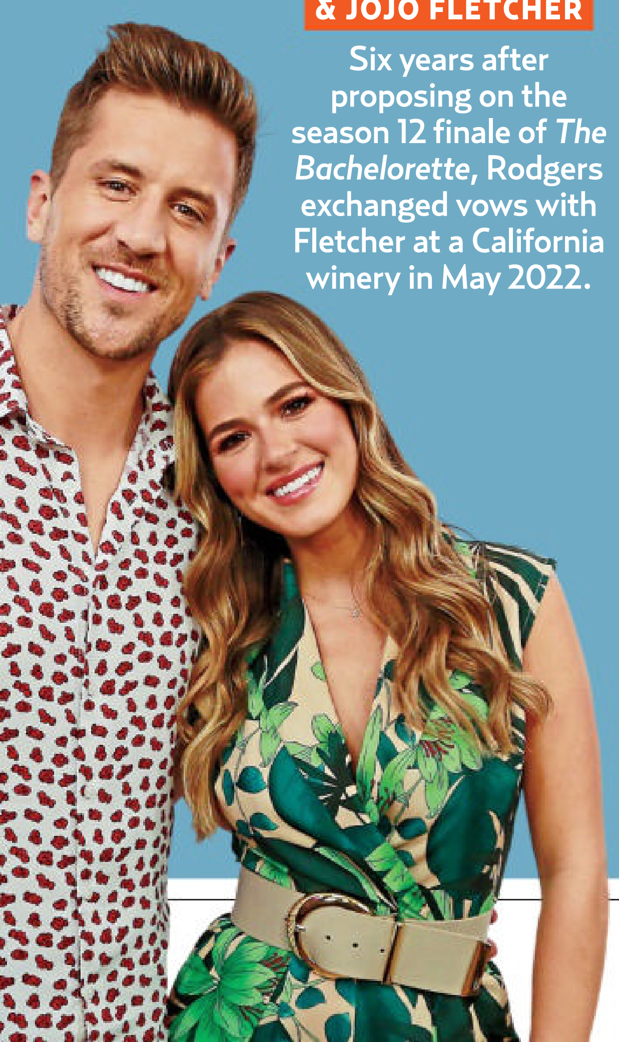
Blending families is a major undertaking for Garner and Miller — one they are approaching gingerly. While the second source says their children have been hanging out more and more frequently — and that Garner may even put one of Miller's kids in an upcoming film — they're being careful not to uproot them completely. Notes the source: "They don't want to disrupt their kids' lives right now."

They may even postpone the wedding until the kids are out of the house. "They're still young, and John and Jennifer are thinking they'd like to start their marriage with just the two of them," says the second source, adding that there's talk of them tying the knot after all their children are in college. "Until then, they're very content with the way things are." **US**

J.Lo on Jen

Jennifer Lopez finally opens up about the *Alias* alum

Keeping it real! In a recent interview, *Shotgun Wedding* star Jennifer Lopez, 53, got candid about the harsh reality of blending families with husband Ben Affleck, 50. "They have so many feelings," she said of his three children and her 14-year-old twins, Emme and Max (Dad is her ex Marc Anthony). "They're teens." But she had nothing but praise for the *Camping* star, calling Affleck's former wife "an amazing coparent," adding that Garner and Affleck "work really well together." Says a source: "There's a shared respect there. They're never going to be best friends or anything like that, but J.Lo is grateful that she's been trusted to get to know Ben's kids and that Jennifer hasn't made any fuss about that."



JORDAN RODGERS & JOJO FLETCHER

Six years after proposing on the season 12 finale of *The Bachelorette*, Rodgers exchanged vows with Fletcher at a California winery in May 2022.

DEREK FISHER & GLORIA GOVAN

The former NBA player and the reality star had to delay their wedding when the pandemic struck — and finally took the plunge in 2021, three years after he popped the question.

Tales of SURVIVAL

These stars faced death — and lived to tell all about it

BY JAIME HARKIN

Ellie Goulding

"Note to self don't drive a BV206 over a frozen lake," wrote Goulding in a 2016 Instagram post, referencing a frightening accident she got into with photographer Conor McDonnell. He later revealed they had crashed through the ice "in the middle of nowhere" in Norway on a -25-degree night and had to climb out of the car's roof to escape, recalling, "A few minutes later, it was all completely gone under the water and ice."

Jeremy Renner

Real-life superhero! The *Hawkeye* actor was clearing out heavy snow at his Reno, Nev., home on Jan. 1 when he was run over by his 14,000-pound snowplow and airlifted to a nearby hospital with blunt chest trauma and orthopedic injuries. After undergoing emergency surgery, Renner — who was struggling to breathe when help arrived — addressed relieved fans via Instagram, saying he was "too messed up" to type, but "I send love to you all."

Drew Barrymore

Barrymore spent two days in the hospital undergoing MRIs and CAT scans when she hit her head on concrete while rehearsing a scene for Netflix's *Santa Clarita Diet*. "It was f**king terrifying," the talk show host said in 2016 of the harrowing incident, which shut down production for two weeks. "It was very serious. I've never had a feeling like that in my life. [I] almost died."

Bethenny Frankel

The *RHONY* alum credited a 911 call and her EpiPen with saving her life in 2018. "I have a rare fish allergy. Sunday, I had soup, itched & was unconscious for 15 mins then to ER & ICU for 2 days," the reality star tweeted that December, adding that she couldn't see or talk. "Thought I had a stroke & dying & told if 5 mins later I'd be dead… I'll never not carry an #epipen."

Bam Margera

Margera capped off a tumultuous year with a near-fatal bout of pneumonia in December. "My body was shutting down, and I went into four seizures — each one lasting 10 to 20 minutes, and on the fourth one, I bit my tongue so hard, it was nearly falling off," the *Jackass* star told Steve-O on his podcast on Jan. 5. "It was swollen and puffy and wouldn't fit in my mouth and I was drinking infected blood, which gave me pneumonia," he added, revealing that he "was basically pronounced dead" at the hospital.

Damar Hamlin

NFL viewers were left horrified when they witnessed the Buffalo Bills safety collapse following a tackle during a Jan. 2 game. The football pro had suffered cardiac arrest and received CPR and was defibrillated on the field before an ambulance took him to a nearby hospital in critical condition. Fans feared the worst, but Hamlin made a miraculous recovery asking doctors, "Did we win?" when he woke up from his induced coma three days later. (He returned home on Jan. 11.)

Al Roker

In November, the beloved *Today* weatherman was hospitalized with blood clots in his legs and lungs. "I lost almost half my blood," he recalled upon his triumphant return to work in January, noting that his team of doctors had to do major surgery to repair the damage. "Two bleeding ulcers, they had to resection the colon, take out my gallbladder, redo my [insides]," he said. Roker's wife, Deborah Roberts, never left his side. "He is a living, breathing miracle," she said. "He truly is."

Shotgun Wedding

★★★☆

Jennifer Lopez in a beautiful white gown? Surely this image must ring a (wedding) bell. Or two. Or nine. But wait! This time, she's invited hilarious guests to the party — and takes the "till death do us part" thing to fun new levels. On an exotic island in the Philippines, bickering Darcy (Lopez) and Tom (**Josh Duhamel**) are about to get married when money-hungry pirates crash the event, hijack the guests and cause stage-five chaos. Now the pair must get creative in a hurry in a bid to save their loved ones. The roster includes the likes of **Jennifer Coolidge**, **Lenny Kravitz**, **Cheech Marin**, **Callie Hernandez** and **Sônia Braga**, all of whom bring kooky comic sensibilities to the proceedings. Lopez and Duhamel, meanwhile, deliver some surprisingly snappy dialogue while showing off their physical prowess. (A harried zip-lining trip is an amusing highlight.) Given all the hijinks, it's actually a shame there isn't time for more character mingling: Early on, Coolidge sizes up her future daughter-in-law's six-pack abs with a droll comment, but the two Jennifers rarely interact thereafter. Maybe they can re-team for the honeymoon.

Vanderpump Rules' **Tom Schwartz** and **Tom Sandoval** catch up with *Us*

Tom Schwartz and **Tom Sandoval**'s bromance is one for the ages — but in season 10 of *Vanderpump Rules* (Feb. 8 on Bravo), their friendship is tested as they struggle to open their second bar. Here, the entrepreneurs dish on the reality series' highly anticipated return with *Us*.

Q: What can you tease?

Schwartz: It's a different *Vanderpump Rules* landscape. Everyone was on a certain trajectory and life threw us curveballs. A lot of people had high-stakes, real-life stuff that came at us fast. I poured my heart out. I cry a lot, spoiler alert.

"I got thrust out of my comfort zone," Schwartz says. "Ultimately, I'm a better person because of it."

ZZA IS
EAUTI

Sandoval: I can say that it's going to be a very, very different season. There's a lot of life changes. It feels like a throwback to earlier seasons.

Q: Schwartz, how was it filming with your ex-wife, Katie Maloney?

Schwartz: It was emotionally taxing, but still very connected and loving, for the most part. We hit a rough patch toward the end for reasons you may be able to speculate. But I think we're good now. I still love and care about her. I feel like I'm a really good divorcé.

Q: How do you feel about this new chapter in your life?

Pretty dang good. A lot of things in my life are coming together. We just opened [Schwartz & Sandy's]. We have an incredible crew and we're in good hands.

Q: Sandoval, how was it hitting the road with your band, Tom Sandoval & The Most Extras?

Sandoval: It's been one of my absolute favorite things in life. I'm so thankful for this band and this whole experience. It's been such a great fit. I'm truly in my element.

Q: Any plans to put out an album?

Sandoval: I have an original song coming out that I'm excited about. It was a collaboration and I'm really excited for people to hear it.

THINGS YOU DON'T KNOW ABOUT ME

BY **Debra Jo Rupp**

The actress and *That '70s Show* alum shares some groovy facts with *Us*

That '90s Show is currently streaming on Netflix.

1. On a typical Sunday afternoon, you'd find me lying on my couch with a family-size bag of Doritos, watching TV and playing games on my iPad.

2. I took the cheese grater lights from the kitchen and the purple grapes from the coffee table as keepsakes from the *That '70s Show* set.
3. My favorite thing about portraying Kitty Forman is her laugh.
4. My first car was a silver 1969 Ford Galaxie. It's a tank!
5. Some [people] say I can be **Martha Stewart** Jr. at times.
6. My most starstruck moments were [meeting] **Jerry Seinfeld** during my audition for his show and also running into *Spenser: For Hire*'s **Robert Urich** in a grocery store.

7. The actresses I looked up to the most growing up were Carol Burnett and Katharine Hepburn.

8. If I could revisit any of my previous projects, it would be *From the Earth to the Moon*. I could do it better now.
9. I love *The Net* with **Sandra Bullock**.
10. My favorite meal to cook is prime rib, baked potato and asparagus.
11. If I'm feeling thin, my favorite thing to make is an iceberg wedge with bacon and blue cheese dressing.

12. My alternate profession would be a lawyer.

13. The most famous numbers in my phone book are all the kids from *That '70s Show*.
14. One place I'd like to go is a river barge cruise in France. I think it might be quiet and beautiful, and there could be some wine involved!
15. My favorite book is *To Kill a Mockingbird*.
16. My celebrity crush growing up was **Richard Thomas**' John-Boy from *The Waltons*.

17. My beauty trick is to put a tablespoon in the freezer overnight and use it in the morning under your eyes and on your cheekbones to reduce swelling.

18. My favorite room is my den because that's where my couch is!
19. People are always surprised by how small I am in person.
20. My guilty pleasure reality-TV shows are any of the *Housewives* shows and *The Challenge* on MTV.
21. My dream role is Kitty Forman — I'm playing her again now in *That '90s Show*!

22. My favorite item in my wardrobe are my Ugg boots.

23. My favorite movie is *Hoosiers* with **Gene Hackman**. I like the story and all of the characters.
24. The most shocking thing I did in the '70s was going to Italy with my Italian boyfriend without telling anyone. It was the same year that **Elvis** died.
25. Abba's "Dancing Queen" brings back the best memories.
